

TRA-NORMAL

Test for receiving, correcting and cancelling TRA reports

Change the colour of the line to green as soon as the version of the report is accepted

Fill in the **Accepted date**

All mandatory elements that are not listed will be filled in with correct values

*In some cases all values will be tested and in others only some.

Be sure you get an ACK on your report before sending a correction or cancellation.

This scenario is only to verify that a TRA report can be received correctly, corrected and cancelled
